Oklahoma City Convention Center, 1 Mick Cornet Drive

November 1, 2023

**Howdy ISHM 2024 Exhibitors!**

We're really pleased to be working with you once more on ISHM. So much so that we're ready in November to help you with May plans. This packet has the order forms and information pages that will make your process more easily managed. When you come to OKC we want you to arrive happy, knowing that all your ducks are in tidy formation! And if this is your **First Time To Exhibit**, you can expect this to be the best 2024 exposition you'll be in all year.

Since you were last here, the **Oklahoma City Convention Center** has been constantly busy. This means their management's learning curve with the new building is smoothing out, getting easier throughout the hall. This bodes well for us coming in for the third time now, too; familiarity with the venue makes a big difference for everyone.

So now, review the following pages to determine which services, if any, you want to include. The packet begins with the Event Timeline, follows with General Instructions for shipping display materials, and continues with all the Forms needed to make things go the way you want. But if you can't find answers to your questions, just give me a call or email your concerns.

It's great having all you *Pardners* coming back again and again to ISHM. Each year I get to know more of you and learn about the fascinating displays you host here. It's my privilege to provide you with show services and I'm counting on you to speak up if I've overlooked something *you* need. And if this is your first time to exhibit at ISHM, look for Frypan at the back of the hall, between the overhead doors. Stop by to say hello!

**Warm regards,**

Betsy Fry
